**APPLICANT SUMMARY OF
INTERVIEW WITH EXAMINER**

Dear Examiner Meinecke Diaz:

During the telephonic interview on August 11, 2010, between Examiner Susanna M. Diaz, Applicant Matthew Schoen, Wayne Perg, and Peter K. Trzyna, the Examiner agreed to consider a proposed amendment, and she informed the Applicant that she was still exploring some search strategies related to the claim language. On Friday, August 13, 2010, the Applicant's representative submitted a proposed amendment to the Examiner for discussion. However, the Examiner explained that, in light of the cited art identified in recent searches, she didn't feel the proposed amendment would put the claims in condition for allowance (even if conditions corresponding to the rules in the independent claims were more positively recited).

Participants also discussed Claim 1 and the Walker cited art. An agreement with respect to the claims was not reached.

APPLICANT CLAIMS SMALL ENTITY STATUS. The Commissioner is hereby authorized to charge any fees associated with the above-identified patent application or credit any overcharges to Deposit Account No. 50-0235.

Please direct all correspondence to the undersigned at the address given below.

Respectfully submitted,

Date: December 17, 2010
